Announcement

Issue: The Job Placement under

Internship and Cooperative Education in Digital Media Program

Semester 2, Academic Year 2023, and Semester 1, Academic Year 2024

According to the Bachelor of Science Degree in Digital Media / Creative Media and Digital Technologies (International Program), students are required to enroll in either Internship or Cooperative Education Program (conditions applied). In order to fulfill the requirements, students must follow these rules.

- 1) A travel consent letter from the parents or guardian will be required.
- 2) All forms of Internship, including Cooperative Education, can be adjusted or replaced by other activities, such as Work-From-Home practice, projects, or research assessment as appropriate.
- 3) For Students who intend to enroll in the Internship and Cooperative Education, the job roles/description should be directly related to our curriculum.
- 4) The job announcements from the organizations were recommended by the CMDT program and the organizations themselves. The students are required to contact and apply for the desired positions through any channels assigned by the organizations.
- 5) Training periods and registration will be as follows;
 - Internship Program 2-2023: April - June 2024 (300 hours)
 - Internship Program 1-2024: April - June 2024 (300 hours)
 - Cooperative Education 1-2024: June-October 2023 (16 weeks)

The other period must be informed to the Head of Cooperative Education and Internship for further consideration.

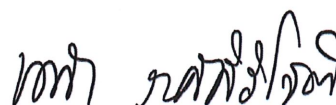

- 6) Job placement and completed documents should be done before **March 11st, 2024**.

/ 7) Students...

- 7) Students who cannot fulfill the requirements mentioned above, will need to enroll in either the Internship or Cooperative Education next academic year.

This announcement is effective from the date of signing until further notice from Prince of Songkla University International College, Hatyai Campus in the near future.

Announced on **December 28th, 2023**
